of this Article shall apply to a four ten hour day work week, provided that the make up day is the next consecutive day following the scheduled four ten hour day work week.

2. It is agreed that the Employer and the Union may mutually agree, in writing, upon different starting or ending times for any of the above mentioned shift arrangements including jacking operations. If the Union agrees to a starting time prior to 6:00 a.m., no overtime rates shall be due for hours worked prior to 6:00 a.m. solely as a result of the earlier starting time.

3. A special starting time of an eight (8) hour shift beginning not later than 3:00 p.m. may be established by the Employer for the field lubrication or repair of equipment.

4. Where the Employer produces evidence in writing to the Union of bona fide job requirement for work that can only be done during night hours due to safety conditions or other requirements, in such case an employee shall work eight (8) consecutive hours exclusive of meal period for which he shall receive eight (8) hours straight time pay, Monday through Friday. All time worked or hours paid for, after eight (8) hours worked or paid for in any one day, or Saturday, Sunday and holidays shall be paid for at the appropriate overtime rate.

D. Tide Work Schedule:

The following provisions shall apply to employees on jobs working a single shift only:

1. When employees are called out to work broken time or tide work, Monday through Friday, the minimum pay for such work shall be eight (8) hours at the applicable, regular straight- time rate. Subject to the above minimum, in computing the time to be paid for under this provision, eight (8) hours or less worked between 7:00 a.m. and 5:00 p.m. shall be paid for at the applicable straight-time rate, and time in excess of eight (8) hours worked between 7:00 a.m. and 5:00 p.m., and any time worked before 7:00 a.m. or after 5:00 p.m. shall be paid for at the applicable overtime rate.

2. When employees are called out to work broken time or tide work on Saturdays, Sundays or holidays, the minimum pay for such work shall be eight (8) hours at the applicable overtime rate.

E. When it is mutually agreed that an emergency exists, such as earthquakes, floods or fire, the starting time for the shift may be made to fit the emergency and eight (8) hours in any twenty-four (24) hour period may be worked at the straight time rate. All other terms and conditions of this Agreement shall apply.

F. Employees shall travel to and from their daily initial reporting place on their own time and by means of their own transportation. The Employer shall be responsible for

payment of wages from the reporting point, as ordered by the Employer, to the jobsite and from job to job and return. However, employees who voluntarily report to a point for free transportation to the jobsite will not be compensated from the time en route and return. For offshore work, employees will receive travel pay at straight-time rates from port of embarkation to jobsite and from jobsite to debarkation regardless of mode of transportation, which transportation shall be at the Employer's expense. If no camp is furnished by the Employer, such transportation shall be furnished daily.

G. Workmen referred to the Employer's job who arrive in an unfit condition for work, without a written dispatch slip from the employment facility, without the proper documentation as set forth on INS I-9 Form, or who are not ready to go to work or who are not otherwise qualified in accordance with their written dispatch slip from the employment facility shall not be paid show-up time or subsistence. Grievances or disputes arising out of the interpretation or application of this particular paragraph shall be referred to the procedure for settlement of grievances and disputes.

H. Any time worked on Saturday, Sunday or holidays outside of the shift hours provided in the Agreement shall be paid for on the basis of the actual hours worked at the Laborers' overtime rate, except that any workmen or employees reporting for work at the stipulated time and for whom no work is provided shall receive pay for two (2) hours at the overtime rate; any workmen or employees who report for work and for whom work is provided shall receive not less than four (4) hours' pay at the overtime rate; and if an employee works more than four (4) hours, he shall be paid for the actual hours worked at the overtime rate.

Upon return of the protective clothing, the employee shall be reimbursed in the amount of the deduction.

K. Make-Up Day - Where the regular employee lacks the necessary hours to complete his forty (40) hours in any one week, on a voluntary basis, the employee may work up to an eight (8) hour straight time shift on Saturday. The make-up day shall apply to special or multiple shift arrangements.
